

## DECLARATION OF CONFORMITY

### **Subject: Declaration of Absence of Polycyclic Aromatic Hydrocarbons (PAHs) in Lowe & Fletcher Limited Products**

Lowe & Fletcher Limited hereby declares that, to the best of our knowledge and based on information from our suppliers, the products manufactured and supplied by our company do not contain Polycyclic Aromatic Hydrocarbons (PAHs).

Polycyclic Aromatic Hydrocarbons (PAHs) are a group of organic compounds known for their potential health risks and environmental impact. We understand the importance of ensuring the safety and compliance of our products with applicable regulations and standards.

Lowe & Fletcher Limited is committed to maintaining high standards of product safety and environmental responsibility. We continuously monitor and review our materials and processes to ensure compliance with relevant regulations and industry standards.

If you require any further information or have specific questions regarding the materials used in our products, please do not hesitate to contact us.
